Mr. Wendell Fortner
Chief, Environmental Section
U.S. Pine Bluff Arsenal
Pine Bluff, Arkansas 71602-9500

Dear Mr. Fortner:

Receipt is hereby acknowledged for the closure/clean-up plans for the following sites which were received on August 12, 1985:

- 4A - Burn Site at 504 Street
- 12 - Mustard Burn Pits
- 13A - Abandoned McCoy Road Burn Pit
- 23A - HC Smoke Test Pond
- 29 - Solid Waste ARK-LA Site
- 29A - Salt Pile

The above plans are currently being reviewed and you will be notified of the results of the review when completed.

The Department has also reviewed Supplement No. 1 to several closure plans previously submitted to the Department. Based on the review, the closure plans for the following sites are approved, including the use of clean-up debris as fill material at site 23A, as described in the Supplement:

- 20A - Depot South Burn Pit
- 10A - Depot Demolition/North Burn Pit
- 17 - Product Assurance Test Range and Dump Site
- 27 - BZ Pond
- 2 - Webster Road Test Site
- 20B - WP Slag Disposal Area
- 26 - Product Assurance Drop Tower
- 31A - Product Assurance Test Site
- 31B - Standby Grenade Test Basin

In addition, the Department has reviewed and hereby approves the closure plans for the following sites, which calls for excavated material to be placed in the hazardous waste landfill:

- 34 - NCTR Equalization Pool
- 38 - Impregnite Sludge Lagoon
